Adobe – An Award-Winning Employer

Adobe believes in hiring the very best and that's why we are an award-winning top 100 employer. Recognizing that employees are at the core of our success, Adobe recruits and retains highly qualified and motivated individuals, creates an environment where they can innovate and achieve their best, and rewards them for their performance by giving them an opportunity to share in the company's success. Adobe is consistently ranked as one of FORTUNE magazine's "100 Best Companies to Work For" and "Best Employer" in Romania and Central & Eastern Europe by Hewitt and Associates. We have been also honored with two spots (2008 and 2009) on Germany's "100 Best Places to Work For" list and a spot on Europe's "50 Best Small and Medium-Sized Workplaces" by the Great Places to Work Institute.

Day is a recently acquired Adobe company and a leading international provider of integrated enterprise content management and content repository software that helps customers manage and unify digital business information, applications and processes through the Web. CQ5 and CRX are world-class software products that are used for business-critical applications in the world's largest and most important companies. They are standards-based products at the leading edge of technology.

Adobe Romania

Adobe Overview

Adobe (NASDAQ: ADBE) changes the world through digital experiences. For more than two decades, Adobe has been at the heart of making engaging experiences happen, and we fuel the content creation and delivery ecosystem in a way no other technology company can. Adobe's award-winning technologies and solutions have redefined business, entertainment, and personal communications by setting new standards for producing and delivering content that engages people anywhere at any time. From rich images in print, video, and film to dynamic digital content for a variety of media, Adobe solutions have positively impacted nearly every market and industry.

To achieve this, Adobe offers customers a wide range innovative tools, services and solutions to create highly compelling and effective content and applications, regardless of format or medium. We enable seamless delivery and consumer access to rich content and applications and deliver solutions that efficiently target, assemble, deliver and measure use of content and applications to achieve optimal return on investment. We enable these three things across media and devices, better than anyone else in the world.

Adobe has been a pioneer and innovator throughout its history and is recognized as one of the Top 100 Best Global Brands according to Interbrand.
